

Trade Xmas Day

25.12.08

After a plateful of turkey and a slurp of sherry from the drinks cabinet, it's not unheard of to drop by **TRADE's** annual **XMAS DAY** celebrations. And all those who wanted to mash up the dancefloor at Egg, rather than watch the cast of *EastEnders* blub their way from one side of Albert Square to the other, did just that.

A mix of Trade DJs, including **Fat Tony**, **Gonzalo**, **Malcolm Duffy**, **Lady Bianca**, **Lisa German**, **Nick Tcherniak**, **Nik Denton** and **Ben Jamin**, kept north London shaking until the sun broke through the Boxing Day sky.

Trade on Christmas Day – what would we do without you?

- **Trade returns later in the year.**
